The Orangeville Snowmobile club held their "Pray for snow Dance" a 50/50 Draw was held with proceeds going to A.L.S (Alterior Lateral Sclerosis better known as Lou Gehrig's disease) in honor of John Massingberd, president of Snowtrax TV who suffers from the disease.

We would like to thank Dan and Laura Forbes social director and board members for helping put on a great event and suggesting the 50/50 draw proceeds go to ALS

A special thank you to winner Lisa Gray who very generously donated her share to A.L.S

It is great to see the Orangeville snowmobile community jump in and support him we truly appreciate it and thank all of you!
